## Degree Requirements

A list of the degrees awarded upon the completion of these curricula is given in the chart on the inside front cover of this bulletin.

The minimum requirements for the baccalaureate degrees are as follows:

1. A minimum of 120 credits is required for a bachelor's degree. Many programs require more than 120 credits. Contact the program director for information about specific program requirements.

2. Cumulative grade point ratio of 2.00 or better.

3. Satisfactory standards in the major field (a minimum grade of "C" in all major courses and designated business courses in the discipline in the Silberman College of Business, 2.33 in the Maxwell Becton College of Arts and Sciences and specific requirements listed for individual majors in University College: Arts • Sciences • Professional Studies).

4. Attendance at the University for at least 25 percent of the credits required for the degree including at least 50 percent of the credits required for a major to be taken in the student's major department. At the Silberman College of Business, a majority of required core courses and a majority of the major courses in the discipline must be completed within the Silberman College of Business. (See Residence Requirement, pages 40–41, for details.)

5. The time limit for completing a degree shall be 10 years from the first college enrollment, including work for which credit is transferred from another college to the final date of completion.

The minimum requirements for the associate degrees are as follows:

1. Completion of a four-semester curriculum, with a minimum of 60 credits. (72 credits for allied health majors.)

2. Cumulative grade point ratio of 2.00 or better.

3. Attendance at the University for at least 32 credits (30 credits for Anthony J. Petrocelli College of Continuing Studies A.A. degree) of academic work including at least 50 percent of the credits required for a major to be taken in the student's major department or school. (See Residence Requirement, pages 40–41, for details.)

4. The time limit for completing a degree shall be 10 years from the first college enrollment, including work for which credit is transferred from another college to the final date of completion.

Application for a degree must be made through the campus Office of Enrollment Services at least four months before the expected date of graduation.
