

MOVE-IN SCHEDULE 2019

Move-in day is Saturday, August 24th for all new first year and transfer students. Returning students move-in day is Sunday, August 25th. Students attending the last Orientation on August 23rd, will move in on August 23rd. The first day of class is Monday, August 26th. Please read this information carefully prior to your arrival as it is important you complete the dashboard tag (located on the reverse of this sheet) and label your boxes with your name, hall, and room number. We are expecting many residents to move in on both days! Arrival times are staggered throughout the day based on the floor that you are moving onto. This will help keep traffic moving and fire lanes open.

For All First Year and Transfer students arriving on Saturday, August 24, 2019:

When you arrive on campus, Public Safety officers will direct you to park your car in a parking lot for Check-In at the Recreation Center. After Check-In is completed, you will be directed to drive your car to the appropriate residence hall to unload; officers and FDU volunteers will be directing traffic to your residence hall. It is advisable to pack your belongings as if you will have to carry them in and up to your room. Please make sure all boxes are labeled with your name, hall, and room number. After your car is unloaded, it must be immediately parked at a designated parking area. Since we do not want you to wait in the wrong line, please know your residence hall and have this dashboard tag (on the back) handy. Your cooperation is greatly appreciated.

- The guard will need to see the **completed dashboard tag** on the bottom of this page (**please fill it out BEFORE arriving on campus**).
- You will then be permitted to proceed to your residence hall to unload your vehicle. If necessary, you may be directed to a holding lot until space becomes available in the unloading zone.
- When you arrive at the curb outside your residence hall, be prepared to unload EVERYTHING from your vehicle and then **immediately** move the car to a designated parking lot, before moving your belongings into the hall.
- **FDU does not provide any hand trucks or carts during move-in.** Please plan accordingly and be prepared to lift, carry, and move all materials. (Home improvement stores do allow you to rent hand trucks and moving aids.)
- FDU volunteers will assist when available, to expedite the move-in process for first-year and new students on Saturday. **Volunteers are helping as expediting hands and work all move-in day.**
- Vehicles will be allowed at the curb for no more than 15 minutes. Unaccompanied vehicles violate **FIRE CODE** and will be subject to ticketing and towing.
