Intro to the Online Process

• HR has replaced the current paper PRF and PIN with the Online PRF and PIN forms for posted positions only

• The current paper PRF and PIN will continue to be used for hiring Adjuncts, most temporary positions and promotions within a department

• The current paper PIN is used when changing an address, title, salary, etc.
Advantages of the Online Process

• The Human Resources department has implemented an enhanced online employment application system in order to automate many of the paper-driven aspects of our former process.
• Will reduce the approval time
• Provides a permanent record of the PRF and PIN
• Personal information contained on the PIN will be secured
• You will only have access to those positions under your jurisdiction.
Approval to Hire

• Please contact Pat Miller, Human Resources Manager of Employment, at 201-692-2705 pamiller@fdu.edu for ONE-ON-ONE TRAINING AND INSTRUCTION in order to obtain an approval to hire/replace a position.
