1000 River Road, T-SU2-03 Teaneck, New Jersey 07666 Phone: (201) 692-2437

Fax: (201) 692-2642

Dear Student,

The Student Health Services staff welcomes you to the University, and we offer our support in any way possible during your study at Fairleigh Dickinson University.

As all institutions of Higher Education have an obligation to ensure the public health of its students, we collect and review medical and immunization records for all matriculated FDU students. Your health care provider will need to complete the *Immunization Record* and *Physical Exam* forms included in the attached packet. The student is responsible to complete the *Student Profile*, *Medical History* and *Meningitis Response* forms.

DEPENDING ON WHAT TYPE OF STUDENT YOU ARE (RESIDENT, COMMUTER, NURSING, OFF-SITE), THERE ARE DIFFERENT REQUIREMENTS. PLEASE COMPLETE AND SUBMIT THE APPROPRIATE FORMS.

**OFF-SITE STUDENTS:** Students who are taking classes at an off-site location only need to submit the *Off-Site Student Immunization Record*. **If you are taking classes on the Metropolitan or Florham Campus you are NOT an Off-Site student.** You must submit the COMMUTER packet of forms.

Please understand that you will not be permitted to register for class until the health forms and immunization records are completed and received.

## **Required Medical Entrance Forms due:**

• Fall Semester: July 15th

Spring Semester: December 15thSummer Semester: March 15th

Medical records are an entrance requirement for all incoming students. Required entrance forms are available on our website: **www.fdu.edu/shsmetro**. Please **MAIL** your completed forms to the address listed on the top of this page.

Medical records are strictly confidential and are not part of the academic records. Medical records are used exclusively by Student Health Services Metro to provide personalized care. Any information on these records or concerning a visit to Student Health Services Metro will not be released without written permission from the individual treated. Immunization records are an exception and are not confidential since your immunization status must be made available to New Jersey State Inspectors and select University offices in order to comply with New Jersey State Law. We strongly recommend that you keep a copy of your immunization records.

## Off-Site Student Immunization Record

\*\*FOR STUDENTS TAKING CLASSES ONLY AT A NON-METRO/FLORHAM CAMPUS LOCATION\*\*
