What is Curricular Practical Training (CPT)?

Who is eligible to apply for CPT?

Students maintaining F-1 status who have completed **One Academic Year of Full-Time Study** by the requested start date of the work/training experience are eligible to apply for CPT.

Can I do part-time or full -time CPT?

A student may engage in CPT part-time (20 hours or less per week) or full- time (21 hours or more per week). **If you engage in 12 months or more of full-time CPT, you will be ineligible for Optional Practical Training.** Part-time CPT does not affect OPT.

Do I need to apply for CPT if my opportunity is unpaid?

CPT is any paid or unpaid work/training experience. All off-campus work or training must receive CPT authorization from an ISS advisor prior to beginning the experience.

Where will I find my CPT authorization?

A new I-20 will be issued with CPT authorization found on page two. **Until you have this new CPT I-20, your CANNOT begin working.**

Some IMPORTANT things to consider:

- **Unauthorized employment is considered a violation of F-1 status and will result in a termination of your immigration record.**
- As always, an F-1 student must be registered full time in Fall and Spring semesters.
- CPT eligibility and policies are determined by your academic department. The duration of CPT is determined by your program chair or supervising professor as related to the course objective.
- Summer CPT should be initiated well in advance due to limited availability of supervising professors.
- **ISS will process the paperwork, create a new I-20 for you, and call you to sign it. Please allow 3 to 5 business days for processing by ISS. Start date on your hire letter and all documents must be 5 to 7 business days from the date your CPT packet is submitted to ISS.**
