Asking and Answering Questions
In this module, you will...

- Use the Ask a Question feature
- Learn how to ask a question
- Learn how to answer a question
Question on the Feed

One of the best ways to earn points is to score Best Answer on questions in the feed.

You can spot questions easily based on the distinctly green ? icon on every question.
Asking a Question

If you have a question that anyone in the class can help with, simply select Ask a Question from the New Post menu and ask away.

I'm stuck on question 3. Please help! :)

Answering Questions

To answer a question, click on the post in the feed to expand it. Then, tap ‘Add a New Answer’. Type out your answer and submit it.

When a question has a best answer, you’ll see in the feed that the answer metric is green. You'll be notified and receive 1,000 points if your answer is chosen!
You’ve finished Module 3!
