Satisfaction of Employers and Completers

CAEP Measures 3 and 4: Some employer satisfaction data is available through the NJDOE Education Preparation Provider Annual Report, at https://drive.google.com/open?id=1lOFeqdkbiiHrFe6-1VFRyQ_sWF29eEfv. Each year FDU surveys alumni of our teacher preparation programs. The two surveys ask graduates about their perceptions of preparedness to teach and program satisfaction. In the 2018-2019 academic year, 48 FDU initial teacher education program graduates responded to the university-created survey, 4 in the fall and 44 in the spring.

ENROLLMENT: To provide context for the Cohort Default Rate (CDR) data we include enrollment data (students enrolled at any time during the year) and a corresponding percentage (borrowers entering repayment divided by that enrollment figure). While there is no direct relationship between the timing of when a borrower entered repayment (October 1 through September 30) and any particular enrollment year, for the purpose of these data, we have chosen to use the academic year ending on the June 30 prior to the beginning of the cohort year (e.g., FY 2016 CDR Year will use 2014-2015 enrollment).
