FDU AGREES TO SERVE AS SCHOOL OF RECORD FOR SPRING 2021

To Whom It May Concern:

As the Vice Provost of International Affairs at Fairleigh Dickinson University, this letter is to verify that Fairleigh Dickinson University is School of Record for the G-MEO 2021 **International Spring Semester Program** to be held at the Chengdu American Center for Study Abroad in Chengdu, China.

This program is designed to provide affordable in-person classes for Chinese students enrolled in universities in the U.S. whose study and/or travel plans have been disrupted by COVID-19.

As the School of Record for this program, Fairleigh Dickinson University will generate an official transcript for all students who enroll and complete courses in this program. Those students will receive an official transcript containing credits earned during the program from Fairleigh Dickinson University. The official transcript will contain an official Fairleigh Dickinson University stamp for verification of authenticity. In so doing, Fairleigh Dickinson University ensures that all courses offered during the 2021 G-MEO Spring program are US accredited courses with US university codes.

With two international campuses, and more than one hundred international partnerships, Fairleigh Dickinson University is honored to be working with the G-MEO Alternative Fall Semester Program.
