2. Agree to their Terms of Service and Cookie Policy by pressing “I agree” button.

3. Press the blue “+” button at the center of the screen.

4. If on an iPhone, a pop-up will appear giving you options on a method for selecting your media. Press the “**photo library**” option on iOS and find the recorded greeting. If not on an iOS device, find the equivalent selection method that will lead you to the recorded file.

5. In the message field, type in your:

- Campus
- Full name
- Your FDU NetID email address

The screenshot shows a mobile application interface for file transfer. At the top, there is a menu icon, the 'we' logo, and a 'Log in' link. Below this is a section titled 'Add more files' with a plus icon and the text '1 file added · 2.0 GB remaining'. A file named 'IMG\_4900.MOV' (28 MB · mov) is listed with a close icon. Below this is a 'Message' section with the prompt 'Add a message to your transfer'. A text input field contains the placeholder text 'Campus Location, Full Name, FDU Email Address', which is highlighted with a red box. At the bottom, there are two buttons: 'Start over' and 'Next', with the 'Next' button highlighted by a red box.

6. In the “**email to**” field, type in [gradgreetings@fdu.edu](mailto:gradgreetings@fdu.edu), then in the “**your email**” field type in your FDU NetID email address.

The screenshot shows the 'Add email addresses' section of the mobile application. It features two input fields. The first field, labeled 'Email to', contains the text 'gradgreetings@fdu.edu' and is pointed to by a red arrow. The second field, labeled 'Your email', contains the text 'studentname@fdu.edu' and is also pointed to by a red arrow. At the bottom, there are two buttons: 'Back' and 'Transfer', with the 'Transfer' button highlighted by a red box.

7. You will be asked to verify your email address on the next screen.
