

Online Master of Arts in Industrial Organizational Psychology in China

Fairleigh Dickinson University has partnered with Golden Education to enroll students for this Master's Degree program in China. We offer high quality teaching and provide Chinese students with online learning experience.

The Industrial/Organizational degree program provides a comprehensive, empirically based background in industrial/organizational psychology. Students gain knowledge and understanding of a variety of work place based concepts ranging from employee selection, learning and development, assessment and measurement, and leadership to the impact of technology on behavior and systems. Our graduates find work in organizational settings or continue their education at the doctoral level.

Length of the Program: 12 months.

Curriculum: 12 mandatory courses shown as following:

- PSYC6301 Group Dynamics & Team Leadership
- PSYC6300 Psychological Statistics
- PSYC6303 Research Methods and Design
- PSYC6305 Psychometrics
- PSYC6302 Organizational Psychology
- PSYC6304 Personnel Selection
- PSYC6308 Human Resource Development
- COUN7706 Lifestyle and Career Counseling
- PSYC6306 Behavioral Consulting
- PSYC6307 Techniques of Interviewing
- PSYCH Human Resources Issues in China
