Bank Drafts and Personal Cheques

Tuition and fees can also be paid by:

- **Bank Draft** payable to "Fairleigh Dickinson University". This is a convenient and secure means of payment and is less vulnerable to loss or theft than cash. This is a type of check where the payment is guaranteed to be available by the issuing bank. Once it has been confirmed that sufficient funds are available, the bank effectively sets aside the funds from the account to be given out when the bank draft is used.
- **Personal Cheque** payable to "Fairleigh Dickinson University". The university will accept a personal cheque from a Canadian bank. However, it is the student's responsibility to ensure that the account has sufficient funds. Return cheques will have an additional fee of \$25 plus the bank fees. Furthermore, the student will not be allowed to use a personal cheque in the future.

Both Bank Drafts and Personal Cheques can be in USD or CAD dollars. Students can check our [Daily Currency Exchange Rate](#) prior to making a payment. Please write your **FULL NAME** and **STUDENT NUMBER** on the front of your draft or cheque and **MAIL** it to:

Fairleigh Dickinson University
Attn: Enrollment Services Office
842 Cambie Street,
Vancouver, BC, Canada, V6B 2P6

You can also **DROP** your draft or cheque at **the office of Enrollment Services** (#203 - Cambie Campus Location: Please click [here](#) to book an appointment before coming to campus.) or in our **Drop Box** outside of the office.
