

Study Abroad Centre Fact Sheet

» United Kingdom

London

Step into the heart of one of the world's most dynamic cities. Bayswater College is located in the heart of the city, minutes from Hyde Park and Kensington Palace, giving you direct access to London's endless cultural opportunities. These range from its world-class museums and galleries to its eclectic neighbourhoods where over 300 different languages are spoken. London is a modern city, but has a rich history and diverse culture. London is the leading international financial centre in the world and a hub of the arts, media and creative industries.

London remains one of the most popular study abroad destinations for US students, with its vibrant arts, music, theatre and fashion scene, the capital of the UK retains its title as one of the most important cultural and business destinations on the planet.

In the heart of the UK's capital

**FAIRLEIGH
DICKINSON
UNIVERSITY**

School of record - Fairleigh Dickinson University

Fairleigh Dickinson University is based in New Jersey, with campuses located in Madison and in Hackensack. Founded in 1942, Fairleigh Dickinson University offers more than 100 degree programs. In addition to two campuses in New Jersey, the university has a campus in Vancouver, British Columbia, and an online platform. Fairleigh Dickinson University is New Jersey's largest private institution of higher education, with over 12,000 students.

Transferrable skills

In an increasingly competitive marketplace employers are looking for staff who will stand out. Individuals who have studied abroad demonstrate greater self-confidence, initiative and the ability to step out of their comfort zone. They have enhanced intercultural communication skills, can manage ambiguity better and higher levels of independent thinking. These are all skills that employers find particularly attractive in recent graduates.

About the city

London is the city for big thinkers and creative minds. Situated in the heart of the capital, Baywater College is only moments from several central London tube stations, making it the perfect hub for both studying and exploring this dynamic city.
