¹ The Syllabus Policy indicates the extent to which the FDU Official Syllabus may be revised and/or enhanced. If any syllabus changes are being considered, please review Appendix B, the Syllabus Policy Key for important submission requirements.

² This is a 4-credit Lab Science course. Students must register for both the Lecture and the Lab components of the course (necessary co-requisites). Schools may not exclude the Lab course requirement. Lab science courses include both syllabi for the Lecture and Lab co-requisites.

³ This course is part of an accredited program at FDU: the Association to Advance Collegiate Schools of Business (AACSB). **Additional review of instructor credentials will be required.**

⁴ This course is part of an accredited program at FDU: the Accreditation Board for Engineering & Technology (ABET). **Additional review of instructor credentials will be required.**

SYLLABUS DISTRIBUTION AND RECORDS POLICY

The Official FDU Syllabi Provided for High School Partner use **must**:

- Retain the same course code and course name as listed in our University Bulletin for seamless credit transfer.
- Adhere to the syllabus policy assigned to the FDU course code. Please see [Appendix B](#) for the complete Syllabus Policy Key.
- Include the **high school instructor name, meeting times/days, term (fall, fall and spring, full year, or spring), and academic year below the FDU logo, course number and title that appear at the top of the syllabus.** Copies of all FDU syllabi are available, please contact earlycollege@fdu.edu for current syllabi.
- Reflect the current academic year and be distributed to each enrolled student at the start of the term. Students should be advised to keep a copy of the syllabus for future use when confirming or transferring credits.

A copy of the syllabus distributed to students must be returned to the Early College office for our permanent records. Please send to earlycollege@fdu.edu.
