## *Student Pinnacle Award*

### *Vancouver Campus*

When Juliana Fiorentino of Belo Horizonte, Brazil started her program at FDU-Vancouver, she had one thought in mind: “make the most out of this experience.”

As a Global Scholar, she was engaged in volunteer work and participated in fundraising and social activities on and off Campus. She was an active President of the Students Association, a supportive orientation leader and a devoted member of the Sustainability Committee, for which she assisted other students and staff to develop strategies that create a sustainable campus environment.

Fiorentino, who started at FDU-Vancouver in the Fall of 2009 after obtaining a degree in Psychology from the Pontifical Catholic University in Brazil, graduates with an Arts degree with a specialization in Business. Fiorentino is an exceptional student, eager to learn and dedicated to any goal she sets her mind to. The consequence of her commitment was clearly seen in her outstanding academic performance. She earned one of the highest grade point ratios of her graduating class and had her name on the Honor’s list in every semester of her program.

As a student worker, Fiorentino worked in the marketing department helping to develop new marketing strategies and recruit students from Brazil; she also worked in the administrative department. Soon after graduation, Fiorentino was hired as Receptionist/Administrative Assistant and recently was promoted to the Admissions office, in which she currently works as an Admissions Assistant.
