Appendix A: Term Definitions and Disbursement Timing Scenarios

For the purpose of determining scholarship disbursement timing, the first two required academic terms are defined as the student's first two official, required terms of study. In most cases, these are Fall and Winter. The following scenarios illustrate how disbursement timing is applied:

(I) Students Beginning in Fall

Term 1: Fall

Term 2: Winter

Disbursements issued in Fall (after registration for Term 1) and Winter (after Term 1).

Disbursement issued after registration for Term 1 is applied to Term 1 tuition, and the disbursement issued after Term 1 is applied to Term 2 tuition.

(II) Students Beginning in Winter

Term 1: Winter

Term 2: Fall

Disbursements issued in Winter (after registration for Term 1) and Fall (after Term 1).

Disbursement issued after registration for Term 1 is applied to Term 1 tuition, and the disbursement issued after Term 1 is applied to Term 2 tuition.

(III) Students Beginning in Summer (only where Summer is designated as the first required term)

Term 1: Summer

Term 2: Fall

Disbursements issued in Summer (after registration for Term 1) and Fall (after Term 1).

Disbursement issued after registration for Term 1 is applied to Term 1 tuition, and the disbursement issued after Term 1 is applied to Term 2 tuition.
