

Proposal to Change Membership of Governance Steering Council

In accordance with the request from the President of the Alumni Board of Governors, the Governance Steering Council proposes to remove the non-voting alumni representatives from the Governance Steering Council.

In addition, following up on the proposal from the Ad Hoc Task Force for a Policy on Policies, the Governance Steering Council proposes that the chair of the proposed new Policy Committee, who will be the University's General Counsel or the General Counsel's designee, will serve on the Governance Steering Council.
