

FAIRLEIGH  
DICKINSON  
UNIVERSITY

*A Message from the President*

Dear Students, Faculty and Staff,

As I shared in May, the University entered into a preliminary agreement with an alumni group to transfer the ownership of Wroxton College. I am now pleased to announce that the contract has been finalized and signed, and our dedicated alumni are committed to preserving the transformational Wroxton experience that students have enjoyed for 60 years.

This is a unique and special opportunity to continue the legacy of Wroxton College and illustrates the outstanding commitment and passion of our Wroxton alumni. Not only will FDU and its students continue to have access to Wroxton College, but our Wroxton faculty and staff, including Dean Nicholas Baldwin, will maintain their roles at the college.

Under the contract, FDU will continue to manage the Wroxton campus and programs through May 15, 2026 — at which time the alumni group, acting through companies formed by the alumni, will assume all operations and management for Wroxton College and continue to offer the university-level education programs there.

This transition period through May 2026 provides the opportunity for the new ownership group to finalize preparations for taking over all responsibilities. During this transition period, nothing will change for our students. Afterwards, we are equally confident the college will continue to offer an exceptional study-abroad program to FDU students, and the University will maintain a close relationship with the college. Faculty and staff will have their employment transferred to the new entity and FDU students will continue to be eligible to enroll.

I again want to thank everyone who has played a role in developing the extraordinary program at Wroxton and building an incredible legacy that will continue for generations of new students. The future of Wroxton College is in very good hands with our alumni, and we will do all we can to help them flourish.

Thank you.

Michael J. Avaltroni, Ph.D.

President
