IMPORTANT NOTES

1. Student poster competition will be organized by Dr. Hong Zhao. Students from CAE institutions like Stevens, NJIT, Rutgers, Kean, Brookdale CC, CCM, etc. will be invited to submit posters.
2. Selected student papers will be displayed in a room adjacent to the Lenfell Hall. Students will be present to describe their projects during the breaks and the allotted time slot.
3. We will invite CAE institutions and selected high schools (e.g., Barringer, Passaic County Technical, etc.) to submit posters on their programs for display on the corridor adjacent to the Lenfell Hall.
4. We will invite partner K-12 institution administrators and teachers and ask them to bring their laptops for demos.
5. All attendees must register using VTOOLS at: <https://events.vtools.ieee.org/m/371200> or using the Evite link in the brochure/flier.
