

# Continuing Professional Education

Fast-track your career with **Continuing Professional Education (CPE)** at FDU Vancouver. Designed for the rapidly changing job market and growing demand for career-focused education in Canada, CPE credentials are a suite of short-term, flexible, stackable courses and certificate programs (6–12 months). These programs bridge the gap between education and employment, preparing graduates to succeed in high-demand industries across British Columbia and beyond. Whether you're a recent high school or college graduate or a working professional, our certificate programs are built to help you upskill, reskill, and advance your career quickly.

Courses and certificates offered are in high-demand industries such as business, entertainment arts, healthcare, AI, and tech. Offered online and in-person, these programs are aligned with industry needs and empower learners to respond to:

- Skills shortages across key sectors
- Rapid technological change, including AI and digital transformation
- The need for flexible, career-oriented education pathways
